DIRECTORS' REPORT

The directors present their report and the audited financial statements for the year ended 31 December 2012.

Directors’ responsibilities
The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Financial Reporting Council and published by the Institute of Chartered Accountants in Ireland.

Irish company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the results of the company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements based on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Acts, 1963 to 2012. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Books of account
The directors are responsible for ensuring that proper books of account, as outlined in Section 202 of the Companies Act, 1990, are kept by the company. The directors believe that they have complied with this requirement by employing accounting personnel with appropriate expertise and providing adequate resources to the finance function. The books and records of the company are maintained at 28 Winetavern Street, Dublin 8.

Results for the year and state of affairs at 31 December 2012
The income and expenditure account and balance sheet are set out on pages 8 and 9 respectively.

Principal activity and review of the business
The company operates as a non profit making organisation established to provide a range of services for homeless, unemployed, and marginalised persons.

Risk assessment
The directors consider that the principal risk factors that could materially and adversely affect the company’s future operating profits or financial position would be the cessation of funding.

The company has insurances and business policies to limit the business risks associated with its activities and the board of directors regularly review, reassess and proactively limit the associated risks insofar as possible.

Events since the year end
There have been a number of cuts in funding across all major funding streams in relation to 2013, reductions in income will impact on the service the company provides and will necessitate cost containment measures.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FRANCISCAN SOCIAL JUSTICE INITIATIVES LIMITED

We have audited the financial statements of Franciscan Social Justice Initiatives Limited for the year ended 31 December 2012 which comprise of the Accounting Policies, the Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is Irish law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland).

Respective responsibilities of directors and auditors
As explained more fully in the Directors’ Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements giving a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company’s members as a body in accordance with Section 193 of the Companies Act, 1990 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements
An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company’s circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors’ Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements
In our opinion the financial statements:

- give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland of the state of the company’s affairs as at 31 December 2012 and of its deficit and cash flows for the year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Acts 1963 to 2012.
INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FRANCISCAN SOCIAL
JUSTICE INITIATIVES LIMITED - continued

• We have obtained all the information and explanations which we consider necessary for the
  purposes of our audit.
• In our opinion proper books of account have been kept by the company.
• The financial statements are in agreement with the books of account.

Matters on which we are required to report by exception
We have nothing to report in respect of the provisions in the Companies Acts 1963 to 2012 which
require us to report to you if, in our opinion, the disclosures of directors' remuneration and
transactions specified by law are not made.

ACCOUNTING POLICIES AND ESTIMATION TECHNIQUES

The significant accounting policies and estimation techniques adopted by the company are as follows:

**Basis of preparation of accounts**
The accounts are prepared under the historical cost convention and in accordance with accounting standards generally accepted in Ireland and Irish statute comprising the Companies Acts, 1963 to 2012. Accounting standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those published by the Institute of Chartered Accountants in Ireland and issued by the Financial Reporting Council.

The financial statements are presented in euro.

**Tangible fixed assets**
The cost of tangible fixed assets is their purchase price. Tangible fixed assets are shown at cost less accumulated depreciation.

Depreciation is calculated in order to write off the cost of tangible fixed assets over their estimated useful lives by equal annual instalments.

The estimated useful lives of tangible assets by reference to which depreciation has been calculated are as follows:

- Fixtures and fittings: 6 – 7 years
- Improvements to premises: 5/50 years

**Income**
Income represents grants and donations receivable in the year.

Donations received specifically for the activities of the company are recognised when the company is entitled to the monies and the service has been delivered.

**Expenditure**
Some costs are borne by Merchants Quay Project Limited and reallocated to the company on a consistent basis each year.

**Pensions**
The costs arising in respect of the defined contribution scheme are recognised in the income and expenditure account in the period in which they are incurred.
