

Merchants Quay Ireland

JOB DESCRIPTION

Job Title:	Clinical Nurse Manager (CNM) – Riverbank
Responsible to:	Head of Day Services
Responsible for:	The direct delivery of services to clients in the Open Access Service, Riverbank
Reports to:	Day Services Manager
Objective:	To effectively deliver and coordinate the services pertaining to Open Access, with a specific focus on Health and in doing so to uphold the philosophy and working ethos of Merchants Quay Ireland.

Services at MQI Riverbank are not only a key starting point for people to connect and share their issues, it is a steppingstone towards their journey to come out of homelessness, use drugs safely and improve their health. MQI staff meet with the people wherever they are in their journey and explore with them to provide holistic support.

Health is a critical part of this holistic support and for this we need a Clinical Nurse Manager to be an enthusiastic, passionate and client focused leader. If you are the one, please read the Job Description and share your experience with us.

Main Responsibilities

1.0 Staffing

- To provide support, line management supervision and performance appraisal to all staff including the nursing, volunteers & project workers as the agreed with the Days Service Manager / Head of Services.
- To provide medical clinical supervision to the nursing staff in accordance with best practice and nursing standards.
- To liaise closely with the GP service operating from Riverbank and HSE Healthlink Services.
- To ensure nursing staff work within their scope of practice and competence as set out by An Bord Altranais.
- To ensure that work experience and student placements are supported and supervised as needed.
- To assist in developing and delivering a relevant in-depth induction programme for each member of staff

- To assess the training and development needs of the staff that you supervise and to input to the annual training plan to be agreed with the Day Service Manager/Head of Services.
- To assist in the recruitment and interviewing of staff and volunteers in conjunction with your line manager where appropriate
- To maintain appropriate staff records.
- To work with the HR Department is dealing with any staff issues or other HR related issues.
- To assist the Day Service Manager/Head of Services in the ongoing development of appropriate staffing structures and service policies and procedures to enable a high-quality service delivery for service users.
- To monitor and support staff with their case management ensuring that all relevant documentation is completed, and that links are being made with the appropriate internal and external services, while ensuring that a consistently high standard of assessments, care plans, key working and referrals are being carried out in line with the aims of the service

2.0 Service Delivery

- To take operational responsibility for service(s) within Open Access as assigned by the Day Services Manager – with specific input to Health Service
- To ensure that the practical needs of the clients are met, in consultation with the clients and with the support of the staff team
- To assist in the establishment and maintenance of relevant working relationships with agencies operating in the local community, including both statutory and voluntary agencies that will assist in the support of our clients in order to ensure access to services for the client group
- To ensure that assessments are carried out and support plans are devised and regularly reviewed by the staff in consultation and agreement with the clients
- To regularly engage with and build a professional relationship with clients treating them with dignity and respect and ensure that values of MQI are upheld in doing so
- When and wherever necessary involve clients in the ongoing development of the service and to have their participation built into service plans
- To provide a high standard of service ensuring client satisfaction as it pertains to MQI and its Charter of Rights including a prompt resolution to complaints within a specific time frame
- To identify client needs in collaboration with the Head of Day Services/Day Services Manager to develop and implement therapeutic programmes in response to their needs
- To undertake an ongoing review/assessment of care practices in response to client needs
- To support the service through participation in the staff on-call rota. This may include occasional night work
- To ensure there is adequate cover on the staff rota at all times and cover shift(s) where necessary
- To ensure a safe and secure environment and maintain high standards of care for staff and clients alike
- To participate in service reviews and evaluations and to implement any changes arising from such work
- To ensure the maintenance of appropriate records and statistics by all staff and to ensure management of the client database
- To be responsible for the development, implementation and recording of practice standards within the service in a manner that reflects the policy, procedure and ethos of MQI.

Nov 2021

3.0 Reporting

- Produce standard monthly and quarterly reports for the Head of Day Services/Executive/Day Services Manager relating to funding agencies and to compile any ad hoc information requests relating to your service area which might be required by the Head of Day Services/Day Services Manager.

4.0 Volunteers

- To assist in the development of full and part-time volunteers in the delivery of services to clients
- To oversee the supervision of volunteers as required

5.0 Team Work

- To work as part of a team in adhering to Service Level Agreements with regular and consistent communication; participating actively in all team meetings and supporting the ethos of MQI
- To encourage a creative approach to working within the team and to support the development of a robust dynamic team
- To ensure that the team works to a high standard in carrying out its agreed brief and tasks
- To ensure that team meetings are arranged in addition to running team meetings and review days, in conjunction with the Head Day Services/Day Services Manager
- To implement service policy and procedures in conjunction with the team to ensure appropriate service delivery. Ensure relevant policy and procedures are reviewed regularly
- To ensure that policy decisions are carried through by all staff
- To ensure that an effective team approach is maintained
- Requirement for on-call on a rota basis and determined by the Service Manager.
